The service packages offered on the last two pages of the General Price List are reserved for our client families who purchase a casket, cremation container and urn from our funeral home. The packages described do not include a casket, cremation container or urn (unless specifically described as included in the package), flowers or cash advance items such as: clergy honorarium, obituaries or other fees paid to other agencies or vendors. The price or cost of additional items you request will be itemized on a Statement of Goods and Services which will need to be approved by you.

Payment for service and merchandise is expected 24 hours prior to the date of the funeral service, date of burial or date of cremation. We accept cash, check, credit card, or a verifiable irrevocable insurance assignment.

Prior to drafting any contract for goods or services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any pre-need agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.

CARE OF DECEASED

Embalming

\$500.00

Embalming is a chemical process which provides temporary preservation of the body and eliminates certain health hazards. A person licensed by this state must complete this procedure.

Except in certain special cases, embalming is not required by law. Embalming may be necessary however if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
