General Price List

Prices Effective:
November 20, 2017

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. **However, any funeral arrangements you select will include a charge for our basic services and overhead.** If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Prior to drafting any contract for goods or services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.

Payment Policy

Our funeral home is a small family owned and operated business and like many others in our community, out of necessity, we operate on a cash basis. We rely upon the families we serve for prompt payment. We do not have sufficient financial resources to extend credit over an extended period of time, nor are we able to fulfill the function of a bank or other lending institution. Therefore payment is expected at the time of arrangements and due 24 hours prior to services rendered. We encourage an open and honest discussion regarding this matter with your arrangement advisor. We will attempt to assist you in every way possible.
